FY2021
Special Instruction Workshop / Mentorship
Information Booklet
Session 1 - Monday, 10/5/20 – Sunday, 3/7/21

In FY2018 exciting changes were made to the Special Instruction (SI) training and these continue into FY2021:

Name - Special Instruction Workshop / Mentorship

Partnership - Troy University

Curriculum - Addresses the US Department of Education – Office of Special Education Programs (OSEP) Child Outcome Indicators (COTs) more effectively

Textbook - *Family-Centered Early Intervention: Supporting Infants and Toddlers in Natural Environments* by Raver and Childress

Who Must Participate in the
Special Instruction Workshop / Mentorship

The Alabama Early Intervention System (AEIS) requires AEIS-Approved “Conditional Special Instructors” who are currently employed by an AEIS-Supported Early Intervention Program to provide Special Instruction (SI) services or currently employed by AEIS to provide SI services as an AEIS-Approved Special Instruction Vendor to participate and complete the Special Instruction Workshop / Mentorship within 1 year of initial employment with AEIS. (Note: The 1-year timeline does not restart upon employment with a different AEIS EI program.)

AEIS defines “Conditional Special Instructor” as an individual who:

- Wants to provide SI services within AEIS but do not hold a degree in Early Childhood Special Education, Education for Hearing Impairment (in settings serving children with hearing impairments) or Education for Visual Impairment (in settings serving children with vision impairments)
- Meets the Alabama Early Intervention System Personnel Standards under one of the 17 deliverable services (excluding Transportation services)
- Submitted the following document to the AEIS State Office AND received approval to provide SI services as a “Conditional Special Instructor”
 - Official Transcript which documents a Bachelor's and/or other degree (e.g., Master's, Doctoral degree) that meets AEIS Personnel Review Committee requirements for Special Instruction.

The mailing address (USPS) in which to send the Official Transcript is:

AEIS State Office
602 South Lawrence Street
Montgomery, Alabama 36104

Note: A *Request for Participation* in the Special Instruction Workshop / Mentorship will not be processed if the Official Transcript is not on file in the AEIS State Office

and/or if approval as a “Conditional Special Instructor” has not been received from the AEIS State Office.

It should also be noted that the **AEIS Supervision Requirements for Conditional Special Instructors**, found in the *Personnel Standards for Alabama's Early Intervention System* (approved by ICC 12/5/18), **applies to all Conditional Special Instructors hired after 12/5/18**. The AEIS Supervision Requirements for Conditional Special Instructors states:

“Conditional Special Instructors” (those without a degree in Early Childhood Special Education, Teacher of the Visually Impaired or Teacher of the Hearing Impaired) are required to have the following experiences, in the order listed below, prior to reaching the Special Instruction Mentorship component of the Special Instruction Workshop / Mentorship:

(1) The Conditional Special Instructor will complete a minimum of 10 Observations of a Qualified Special Instructor* and other EI disciplines (such as OT, PT, SLP) before delivering SI services. The Conditional Special Instructor will document each Observation using the “Conditional Special Instructor Observation Learning Tool” (Appendix B provided in the Special Instruction Workshop) and have the EI professional who is being observed sign the document. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

(2) A Qualified Special Instructor* will provide direct, onsite supervision to the Conditional Special Instructor at a minimum of 2 times per month or more frequently as needed as determined by the supervising Qualified Special Instructor*. These Supervisory Observations will include observations by the Qualified Special Instructor* of the Conditional Special Instructor during SI sessions. The Qualified Special Instructor* will use the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C provided in the Special Instruction Workshop) to document each Supervisory Observation. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified Special Instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a Qualified Special Instructor as per the definition above, contact the state office as needed.)

If a Conditional Special Instructor successfully completes the Special Instruction Workshop, but has not met BOTH of these AEIS requirements, s/he will not be eligible to proceed from the Special Instruction Workshop to the Special Instruction Mentorship. At that point, the Conditional Special Instructor will be dropped from the training and will be required to repeat it in its entirety.

Individuals who are currently employed to provide Special Instruction services in an AEIS-Supported Early Intervention Program or currently employed by AEIS to provide Special Instruction services as an AEIS-Approved Special Instruction Vendor and hold degrees in Early Childhood Special Education, Education for Hearing Impairment (in settings serving children with hearing impairments) or Education for Visual Impairment (in settings serving children with vision impairments) are excused from participation in the SI Workshop/Mentorship.

For individuals who do not hold a degree that meets AEIS Personnel Review Committee requirements for Special Instruction, you may qualify in the “Conditional Other” category. Please contact Jeri Jackson in the AEIS State Office at jerijackson1952@gmail.com to discuss the review process. If approved by the AEIS Personnel Review Committee, please submit written documentation of the approval with your *Request for Participation* in this Session of the Special Instruction Workshop / Special Instruction Mentorship. If such documentation does not accompany the *Request for Participation*, your *Request for Participation* will be filed as incomplete and will not be processed. Please do not submit a *Request for Participation* until you have received approval from the AEIS Personnel Review Committee.

What To Know About Participating in the Special Instruction Workshop / Mentorship

Requirements and responsibilities are placed on the Conditional Special Instructor and his/her Learning-Support Team (comprised of the Conditional Special Instructor’s EI Program Director, Supervisor, and SI Mentor). This section of the Booklet provides information about these requirements and responsibilities as well as information about the training. Please read this information thoroughly.

The Special Instruction Workshop / Mentorship is not a college-credit course. Instead, it is an AEIS-required workshop followed by a SI Mentorship. Additionally:

- Enrollment and participation in the Special Instruction Workshop / Mentorship are limited to those individuals described under the Who Must Participate in the Special Instruction Workshop / Mentorship section of this Booklet.
- Enrollment and participation must be made with approval from and in coordination with the Conditional Special Instructor’s Learning-Support Team who are from the employing/vending AEIS-Supported EI Program.
- The Learning-Support Team plays an important and key role.
- AEIS Supervision Requirements for Conditional Special Instructors, found in the *Personnel Standards for Alabama's Early Intervention System* (approved by ICC 12/5/18) and explained in this Booklet, must be fully completed by the Conditional Special Instructor before the last day of Module 11 (Week 11) of the Special Instruction Workshop. This is explained in the prior section of this Booklet.

The Special Instruction Workshop / Mentorship is a 20-week program of intense study which is divided into 2 learning components:

Special Instruction Workshop (scans 12 weeks online)

Special Instruction Mentorship (scans 8 weeks on-site)

This training is designed to provide instruction that partially replicates the information presented in college/university programs of Early Childhood Special Education, but it is not the equivalent of a college course, college degree nor a teaching certificate, does not lead to college-credit, and does not guarantee employment or vending in an AEIS-Supported EI program.

The Special Instruction Workshop / Mentorship must be completed within the designated time-period. Once you begin this training, you are expected to follow the schedule and complete the work within the specified timeframe. **You should not complete and submit the *Request for***

Participation unless you know you will be able to fully participate and successfully complete it in its entirety during the given Session timeframe. Extensions will not be given; and, completed work will not be saved or forwarded to a future Session. Any work missed will result in repeating the Special Instruction Workshop / Mentorship in its entirety with a limit of 2 attempts.

Important: The AEIS State Office is paying a non-refundable registration fee for your participation in the Special Instruction Workshop / Special Instruction Mentorship; therefore, when you submit the *Request for Participation* in this specific Session and you are found to meet the requirements for participation, you are enrolled in this specific Session of the Special Instruction Workshop / Special Instruction Mentorship. At that point you have committed the AEIS State Office to pay the non-refundable registration fee for your participation; and, they expect you to fully and successfully complete this training. If you leave this Session of the Special Instruction Workshop / Mentorship for any reason at any point (including prior to the start of this Session), you will:

- Forfeit your opportunity to complete this Session. All work you completed will not be saved or forwarded to a future Session.
- Have 1 attempt of the 2 attempts left to complete the Special Instruction Workshop / Special Instruction Mentorship. This means, if you do not successfully complete the next Session you enroll in, you will not have another attempt left; and, you will not be recognized by the AEIS State Office as a Qualified Special Instructor. This means, you will forfeit your opportunity to become an AEIS Qualified Special Instructor.
- Be required to wait until the final Session of this FY before requesting participation. If you enrolled in the final Session of this FY and drop out, you will be required to wait until the following FY to submit a *Request for Participation*. Additionally, acceptance into the Session will be determined by space availability. If the Session you request participation in is full, you will not be allowed into it.

Special Instruction Workshop

As mentioned earlier in this Booklet, the Special Instruction training is divided into 2 parts. The Special Instruction Workshop (which will be described in this section) followed by the Special Instruction Mentorship (which will be described in a later section).

The Special Instruction Workshop takes place completely online. It is organized into 12 Modules with one week spent on each Module; and, the focus is on an intense study of the three US Department of Education - Office of Special Education Programs (OSEP) Child Outcome Indicators (COIs):

IMPORTANT Note: For Conditional Special Instructors hired after 12/5/18, documentation of the completion of the AEIS-required *Supervision Requirements for Conditional Special Instructors* is **due by the end of this week**. If a Conditional Special Instructor successfully completes the Special Instruction Workshop, but has not met these AEIS requirements, s/he will not be eligible to proceed from the Special Instruction Workshop to the Special Instruction Mentorship. At that point, the Conditional Special Instructor will be dropped from the training and will be required to repeat it in its entirety.

Module 12: Wrap-Up

1/11/21 – WEDNESDAY, 1/13/21

- Summative Activities and SI Mentorship Preparation

Important Notes:

- The Special Instruction Workshop is not a self-paced study. It is an intense online learning opportunity with weekly online learning activities and open-book quizzes with due dates.
- The Special Instruction Workshop requires 4-6 hours of work each week.
- The entire Special Instruction Workshop must be successfully completed during this 12-week period (10/5/20 – 1/13/21).
- To achieve successful completion of the Special Instruction Workshop:
 - 1. The final overall grade of at least 80% must be earned. A final overall grade less than 80% is not recognized as a successful completion of the Special Instruction Workshop. NOTE: Grades are not rounded upward; therefore, a grade of 79.9% is not a passing grade.
 - 2. Per the *Personnel Standards for Alabama's Early Intervention System* (approved by ICC 12/5/18), Conditional Special Instructors (those without a degree in Early Childhood Special Education, Teacher of the Visually Impaired or Teacher of the Hearing Impaired) are required to fully complete the following before the last day of Module 11 (Week 11) of the Special Instruction Workshop:
 - 1. Observations

The Conditional Special Instructor must complete a minimum of 10 Observations of a Qualified Special Instructor* and other EI disciplines (such as OT, PT, SLP) before delivering SI services. The Conditional Special Instructor must document each Observation using the “Conditional Special Instructor Observation Learning Tool” (Appendix B from the *Personnel Standards for Alabama's Early Intervention System* and provided in the Special Instruction Workshop) and the EI professional who was observed must sign the document. (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

▪ 2. Supervisory Observations

A Qualified Special Instructor* (the SI Mentor) must provide the Conditional Special Instructor with direct, onsite supervision (joint visits) at a minimum of 2 times per month or more frequently as needed and determined by the supervising Qualified Special Instructor *. The Qualified Special Instructor* must document each Supervisory Observation of the Conditional Special Instructor using the observation tool, “Key Indicators of Family-Guided Routines-Based Intervention” (Appendix C from the *Personnel Standards for Alabama's Early Intervention System* and provided in the Special Instruction Workshop). (NOTE: This tool is for learning purposes only and should not go in the child’s record.)

*Qualified Special Instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a Qualified Special Instructor as per the definition above, contact the AEIS State Office as needed.)

If a Conditional Special Instructor successfully completes the Special Instruction Workshop but has not met BOTH of the AEIS requirements, s/he will not be eligible to proceed from the Special Instruction Workshop to the Special Instruction Mentorship. At that point, the Conditional Special Instructor will be dropped from the training and will be required to repeat it in its entirety.

- If the Special Instruction Workshop is not successfully completed during this Session, the AEIS State Office and the Conditional Special Instructor's Learning-Support Team will be notified; and, progression to the Special Instruction Mentorship will be denied. At that point the Conditional Special Instructor will be dropped from the training and required to repeat it in its entirety in some future Session.
- Conditional Special Instructors will have 2 attempts to successfully complete the Special Instruction Workshop. If after 2 attempts an individual does not successfully complete it, the AEIS State Office and the Conditional Special Instructor’s Learning-Support Team will be notified; and, s/he will not proceed to the Special Instruction Mentorship resulting in not being recognized by the AEIS State Office as a Qualified Special Instructor or approved for billing of Special Instruction services within an AEIS-Supported program.

Special Instruction Mentorship

As mentioned earlier in this Booklet, the Special Instruction training is divided into 2 parts. The Special Instruction Workshop (which was described in the prior section) followed by the Special Instruction Mentorship (which will be described in this section).

The Conditional Special Instructor will enter an 8-week Special Instruction Mentorship if s/he has successfully completed the Special Instruction Workshop (defined as earning a final grade of at least 80% noting grades less than 80%, such as 79.9%, are not a passing grade) AND, for Conditional Special Instructors hired after 12/5/18, successfully completed the BOTH of the AEIS Supervision Requirements for Conditional Special Instructors, found in the *Personnel Standards for Alabama's Early Intervention System* (approved by ICC 12/5/18).

The Special Instruction Mentorship is an integral component of the Special Instruction training that provides Conditional Special Instructors with the opportunity to demonstrate competency and mastery of Special Instruction knowledge and skills in their employing/vending Early Intervention setting. It is designed to couple with their Early Intervention employer's new employee orientation thus assist Conditional Special Instructors in assuming the duties of a Qualified Special Instructor.

The Special Instruction Mentorship takes place completely within the AEIS-Supported Early Intervention Program in which the Conditional Special Instructor is employed or vendors; and, all supervision, responsibility, and evaluation of the Conditional Special Instructor is conducted by the Conditional Special Instructor's Learning-Support Team (comprised of the Conditional Special Instructor's EI Program Director, Supervisor, and SI Mentor). It is the responsibility of the Conditional Special Instructor and his/her Learning-Support Team to arrange and complete this Special Instruction Mentorship within the designated 8-week period as well as to submit supporting documentation to the Special Instruction Workshop / Mentorship Office by the given deadlines.

A Special Instruction Mentorship Performance Evaluation Packet will be distributed to the Conditional Special Instructor and his/her Learning-Support Team upon the Conditional Special Instructor's successful completion of the Special Instruction Workshop. Note: If a Conditional Special Instructor successfully completes the Special Instruction Workshop but has not met BOTH of the AEIS Supervision Requirements (as shown in the *Personnel Standards for Alabama's Early Intervention System* approved by ICC 12/5/18 section titled Supervision Requirements for "Conditional" Special Instructors), s/he will not be eligible to proceed from the Special Instruction Workshop to the Special Instruction Mentorship. At that point, the Conditional Special Instructor will be dropped from the training and will be required to repeat it in its entirety in some future Session.

- If performance problems are found with the Conditional Special Instructor during the SI Workshop / Mentorship, the EI Program Director will accept the responsibility associated with resolving all aspects of the problem as well as any and all litigation.
- If this Conditional Special Instructor's employment/vending in the AEIS-Supported EI Program identified in the *Request for Participation* is terminated during any point in the SI Workshop / Mentorship, the EI Program Director will promptly inform the Special Instruction Workshop / Mentorship Office. At that point, the Conditional Special Instructor will be dropped from the SI Workshop / Mentorship.
- If this Supervisor's or SI Mentor's employment in this EI Program Director's AEIS-Supported EI Program is terminated during any point in the SI Workshop / Mentorship, the EI Program Director will promptly inform the Special Instruction Workshop / Mentorship Office and find the Conditional Special Instructor a Supervisor and/or SI Mentor that meet(s) the requirements as outlined in this document. EI Program Director must work with the new Supervisor and/or SI Mentor in completing their sections of the *Request for Participation* and submit it to the Special Instruction Workshop / Mentorship Office for review and approval. If this does not occur within 7 days of the Supervisor's and/or SI Mentor's departure, the Conditional Special Instructor will be dropped from the SI Workshop / Mentorship. Additionally, the Conditional Special Instructor may not begin the SI Mentorship until a new Supervisor and/or SI Mentor is approved by the Special Instruction Workshop / Mentorship Office; and, the schedule of the SI Mentorship will be altered/extended.
- If the Conditional Special Instructor leaves this Session of the Special Instruction Workshop / Mentorship for any reason at any point (including prior to the start of this Session), s/he will:
 - Forfeit his/her opportunity to complete this Session. All work completed will not be saved or forwarded to a future Session.
 - Have 1 attempt of the 2 attempts left to complete the SI Workshop / Mentorship. This means, failing to successfully complete the next Session enrolled in will result in not having another attempt left and not being recognized by the AEIS State Office as a Qualified Special Instructor (thus, forfeiting the opportunity to become an AEIS Qualified Special Instructor).
 - Be required to wait until the final Session of this FY before requesting participation. If s/he enrolled in the final Session of this FY and drops out, s/he will be required to wait until the following FY to submit a *Request for Participation*. Additionally, acceptance into the Session will be determined by

space availability. If the Session s/he requests to participate in is full, s/he will not be allowed into it.

In addition to the responsibilities for the Learning-Support Team, the Conditional Special Instructor has qualifications and responsibilities that must be met. Following is that information.

Conditional Special Instructor

Conditional Special Instructor Qualifications

- Must be currently employed by the AEIS-Supported EI Program in which the SI Mentorship will take place.
- Must be an AEIS-Approved “Conditional Special Instructors” who is currently employed by an AEIS-Supported Early Intervention Program to provide Special Instruction (SI) services or currently employed by AEIS to provide SI services as an AEIS-Approved Special Instruction Vendor.
- Must be in year 1 of initial employment with AEIS. (Note: The 1-year timeline does not restart upon employment with a different AEIS program.)

Responsibilities

- Prior to requesting participation in the SI Workshop / Mentorship, submit the following documents to the AEIS State Office AND received approval to provide SI services as a “Conditional Special Instructor”
 - Official Transcript which documents a Bachelor's and/or other degree (e.g., Master's, Doctoral degree) which meets AEIS Personnel Review Committee requirements for Special Instruction.
- Fully participate in the SI Workshop within the designated time period and earn the final overall grade of at least 80% (any grade below 80%, such as 79.99%, is not a passing grade). Progression to the SI Mentorship will not be allowed if the Conditional Special Instructor does not successfully complete the SI Workshop.
- By Module 11 (Week 11) of the SI Workshop the Conditional Special Instructor must complete the following and submit to the Special Instruction Workshop / Mentorship Instructor documentation (using provided forms) which confirms the completion of both of these AEIS requirements.
 - 1. Observations
The Conditional Special Instructor must complete a minimum of 10 Observations of a Qualified Special Instructor* and other EI disciplines (such as OT, PT, SLP) before delivering SI services. The Conditional Special Instructor must document each Observation using the “Conditional Special Instructor Observation Learning Tool” (Appendix B from the *Personnel Standards for Alabama's Early Intervention System* and provided in the Special Instruction Workshop) and the EI professional who was

observed must sign the document. (NOTE: This tool is for learning purposes only and should not go in the child's record.)

○ 2. Supervisory Observations

A Qualified Special Instructor* (the SI Mentor) must provide the Conditional Special Instructor with direct, onsite supervision (joint visits) at a minimum of 2 times per month or more frequently as needed and determined by the supervising service provider. The Qualified Special Instructor* (the SI Mentor) must document each Supervisory Observation of the Conditional Special Instructor using the observation tool, "Key Indicators of Family-Guided Routines-Based Intervention" (Appendix C from the *Personnel Standards for Alabama's Early Intervention System* and provided in the Special Instruction Workshop). (NOTE: This tool is for learning purposes only and should not go in the child's record.)

*Qualified Special Instructor is defined as an approved special instructor as per the AEIS Personnel Standards with 2 years of employment in AEIS as a special instructor and who adheres to the AEIS Special Instructor Scope of Practice. (For assistance in identifying a Qualified Special Instructor as per the definition above, contact the state office as needed.)

If a Conditional Special Instructor successfully completes the SI Workshop but has not met both of these AEIS requirements, s/he will not be eligible to proceed from the SI Workshop to the SI Mentorship. At that point, the Conditional Special Instructor will be dropped from the training and will be required to repeat it in its entirety at some future Session.

- Demonstrate competency in infant/toddler evaluation and assessment (E&A), preparation and implementation of intervention plans, monitoring student progress, and writing progress notes.
- Communicate in a timely manner with the SI Mentor and Supervisor.
- Work with the SI Mentor and Supervisor to ensure that all required documentation is complete.
- Follow and participate in the schedule as given to her/him by her/his SI Mentor and Supervisor.
- Establish goals and objectives with the SI Mentor and Supervisor for the SI Mentorship experience and agree on a plan to be used during this experience.
- Share ideas, intervention plans, and methodology with the SI Mentor and Supervisor.
- Create intervention plans that satisfy state standards with the guidance of the SI Mentor and Supervisor.
- Keep student/client information confidential.
- Demonstrate collegiality with other team members, respect for the families of the children being served, respect for administrative authority, high standards of loyalty and service, and a good sense of humor
- Adhere to AEIS and EI program rules and policies
- Set a good example in personal hygiene and professional attire
- Exhibit punctuality and consistent attendance. Notify SI Mentor and Supervisor as soon as possible if an absence is necessary
- Other as found necessary by the SI Mentor and Supervisor

- A maximum of three (3) absences will be allowed during the SI Mentorship 8-week experience. Any absences in excess of three will result in an unsuccessful SI Mentorship and the Conditional Special Instructor will be required to participate in a remediation SI Mentorship for 8 additional weeks (which would be classified as the second attempt). If the Conditional Special Instructor does not successfully complete the remediation SI Mentorship (the second attempt), the AEIS State Office will be notified and s/he will not be recognized as a Qualified Special Instructor by the AEIS State Office and will not be approved for billing of SI services.
- Until the Conditional Special Instructor successfully completes the SI Workshop and the SI Mentorship, s/he is not recognized by the AEIS State Office as a Qualified Special Instructor or approved for billing of SI services.
- A Conditional Special Instructor has 2 attempts to successfully complete the SI Workshop and 2 attempts to successfully complete the SI Mentorship. If any one of these is not successfully completed on the second attempt, the Conditional Special Instructor will not be recognized by the AEIS State Office as a Qualified Special Instructor or approved for billing of SI services within an AEIS supported program. Additionally, if a Conditional Special Instructor successfully completes the SI Mentorship but his/her SI Mentor does not submit the appropriate documentation to the Special Instruction Workshop / Mentorship Office by the designated deadlines, s/he will not be recognized by the AEIS State Office as a Qualified Special Instructor or approved for billing of SI services within an AEIS supported program.
- Must be currently employed to provide Special Instruction services in the AEIS-Supported Early Intervention Program in which the SI Mentorship will take place or currently employed by AEIS to provide Special Instruction services as an AEIS-Approved Special Instruction Vendor in which the SI Mentorship will take place.
- If at any point during this Special Instruction Workshop / Mentorship the SI Mentor leaves the employment of the EI Program identified in the *Request for Participation*, the Conditional Special Instructor must immediately notify the Special Instruction Workshop / Mentorship Office. At that point, if a replacement SI Mentor is not identified by the Conditional Special Instructor s/he will be dropped from this SI training.
- If at any point during this Special Instruction Workshop / Mentorship the Supervisor leaves the employment of the EI Program identified in the *Request for Participation*, the Conditional Special Instructor must immediately notify the Special Instruction Workshop / Mentorship Office. At that point, if a replacement Supervisor is not identified by the Conditional Special Instructor s/he will be dropped from this SI training.
- If at any point during this Special Instruction Workshop / Mentorship the EI Program Director leaves the employment of the EI Program identified in the *Request for Participation*, the Conditional Special Instructor must immediately notify the Special Instruction Workshop / Mentorship Office. At that point, if a replacement EI Program Director is not identified by the Conditional Special Instructor s/he will be dropped from this SI training.
- If at any point during this Special Instruction Workshop / Mentorship the Conditional Special Instructor leaves the employment of the EI Program identified in the *Request for Participation*, the Conditional Special Instructor must immediately notify the Special

Instruction Workshop / Mentorship Office. At that point, the Conditional Special Instructor will be dropped from this SI training.

- AEIS/Troy University/Special Instruction Workshop / Mentorship Office do not provide any type of stipend/honorarium/payment/reimbursement to anyone who serves as a Conditional Special Instructor.
- The Conditional Special Instructor will not be recognized by the AEIS State Office as a Qualified Special Instructor or approved for billing of SI services until the Conditional Special Instructor successfully completes the SI Workshop and the SI Mentorship, and the Learning-Support Team has submitted by the given deadlines the appropriate and required documentation to the Special Instruction Workshop / Mentorship Office.
- Accept all responsibility and liability associated with participating in the SI Workshop/Mentorship.
- If employment/vending in the AEIS-Supported EI Program identified in the *Request for Participation* is terminated during any point in the SI Workshop / Mentorship, the Conditional Special Instructor must immediately inform the Special Instruction Workshop / Mentorship Office; and, remove self from the SI Workshop / Mentorship.
- The SI Workshop / Mentorship is designed to provide instruction that partially replicates the information presented in college/university programs of Early Childhood Special Education; however, it is not the equivalent of a college degree nor a teaching certificate, does not lead to college-credit, and does not guarantee employment or vending in an AEIS-Supported EI program.
- Must earn a final overall grade of at least 80% (NOTE: Grades are not rounded upward; therefore, a grade of 79.9% is not a passing grade) AND, for SIs hired after 12/5/18 fully complete the Supervision Requirements for Conditional Special Instructors found in the *Personnel Standards for Alabama's Early Intervention System* (approved by ICC 12/5/18), in order to successfully complete the SI Workshop and proceed into the SI Mentorship. If s/he does not meet this requirement, s/he will be required to re-enroll in another Session and complete the SI Workshop / Mentorship in its entirety with a 2-attempt limit.
- If the Conditional Special Instructor leaves this Session of the Special Instruction Workshop / Mentorship for any reason at any point (including prior to the start of this Session), s/he will:
 - Forfeit her/his opportunity to complete this Session. All work completed will not be saved or forwarded to a future Session.
 - Have 1 attempt of the 2 attempts left to complete the SI Workshop / Mentorship. This means, failing to successfully complete the next Session enrolled in will result in not having another attempt left and not being recognized by the AEIS State Office as a Qualified Special Instructor (thus, forfeiting the opportunity to become an AEIS Qualified Special Instructor).
 - Be required to wait until the final Session of this FY before requesting participation. If s/he enrolled in the final Session of this FY and drops out, s/he will be required to wait until the following FY to submit a *Request for Participation*. Additionally, acceptance into the Session will be determined by space availability. If the Session s/he requests to participate in is full, s/he will not be allowed into it.

Required Computer Skills/Equipment

A Conditional Special Instructor must have the following computer skills/equipment:

- A working email account that you can access daily and email software capable of sending and receiving attached files as well as good email utilization skills.
- A working computer connected to the Internet with a 56.9 kb modem or better that you can access daily as well as good Internet utilization skills. Not having a computer, computer problems, computer crashes, loss of Internet and/or loss of electricity are not acceptable excuses for late work/lack of participation/failure to meet deadlines. You are expected to have a back-up plan in case any of these occur.
- A working computer capable of running Netscape Navigator 7.0 or above, Internet Explorer 6.0 or above, or current versions of Firefox or Mozilla and good utilization skills. If you use older browser versions, you will have compatibility problems with Blackboard (Bb).
- Microsoft WORD software. No MS-Works or WordPad. You must be able to access this software and have good utilization skills of Microsoft WORD.
- Virus protection software installed and active, to prevent the spread of viruses via the Internet and email. You must continually update.
- Dial-up connections are not recommended. These are very slow and could prevent you from gaining full access to the SI Workshop.

Required Textbook

A Conditional Special Instructor is required to purchase a textbook which will be used throughout the online SI Workshop. Upon acceptance, Conditional Special Instructors are required to have their textbook on the first day of class and throughout their participation in the SI Workshop / Mentorship. Failure to comply will impair the Conditional Special Instructor's ability to successfully complete the SI Workshop / Mentorship. Not having the textbook is not an excuse for late or absent work.
